SUMMER NEWSLETTER

WELCOME!

Hello! As we begin the Fall semester we wanted to update you all on how our spring wrapped up and how summer went. This summer we were able to recruit incoming freshmen at all three weeks of Super Summer and all eight weeks of Next Chapter at Falls Creek. We met many students who will join us on campus this semester! We are so excited for our first fall semester in the new SE BCM Building, and can't thank you enough for your participation, through giving and praying, in making this new building a reality. We have many weekly ministries and events happening, and we will meet a lot of students the first few weeks of the semester. Please be praying for our staff and student leaders as we connect with, reach students, and make Jesus known on Southeastern's campus!

MISSION TEAMS

This summer we had one student team up with other students from around Oklahoma to travel to Berlin for 6 weeks to partner with the McMillan family to share the Gospel with locals and pray over the city. We also had 14 people travel to Boston to serve with Hope Fellowship Church. We served the church by cleaning and doing evangelism at the local Train stations. This team was also able to partner with MIT BCM by helping with English class and praying over campus. Along with these two teams, we had 16 students who spent their summer serving at Christian camps or interning at churches. Thank you for supporting BCM Missions so we are able to help send students around the world to proclaim the Gospel!

Our annual pasta luncheon and dessert auction took place on Sunday, April 27 in the new BCM Building. We had approximately 200 people come by to eat pasta and bid on desserts. Our highest bidding dessert was a tie between Hannah Searles' Turtle Cheesecake and Garry McNeill's Chocolate Chip Cookies. We are so appreciative of the support of everyone who volunteers to make this event happen, everyone who donates desserts to auction off, and everyone who gives money to support this ministry and the mission teams we send!

COLLEGIATE WEEK

We took 50 students, including 16 incoming freshmen and transfer students, staff, and cooks to Falls Creek for Collegiate Week. We spent 4 nights and 4 days listening to breakouts and teaching, having times of worship, and connecting with new and returning students. SE BCM students love Collegiate Week because they grow closer to the Lord, and they are able to meet other students before the semester starts!

STUDENT SPOTLIGHT: LILY

Lily spent her summer working for Centrikid camps for two months. She says, "Getting to show love and share the Gospel with kids and their leaders really brought to light the joy that the Lord brings to our lives. Through this summer God truly gave me a new appreciation that He gives each of His children unique gifts to help serve and reach all people. God worked through me this summer to create a personal connection with the kids, to be a positive encouragement to them, and allowed conversations about the Bible to happen."
