

SE ⚡ BCM SUMMER NEWSLETTER

2026

WELCOME!

Hello again! As we enter into the Fall semester we wanted to update you all on how the summer wrapped up. Our students on mission have made it home after a summer of serving the Lord. We had students at church camps, serving in New England, and serving overseas. We are thankful for the ways you have supported these students in various ways! This summer we were also able to recruit at Super Summer and Falls Creek each week; we had a great time meeting incoming students! We ended the summer with Collegiate Week at Falls Creek and have already started on the hectic Fall Semester activities. Please be in prayer for students on campus this semester to find Christ and Godly community.

MISSIONS

We took a group of 13 students and staff to Boston, MA for 8 days to work with a local church, Hope Fellowship Church, and MIT BCM. We were able to prayer walk, help with sanctuary improvements, and do servant evangelism. We sent another group of 9 students to Germany for 6 weeks to prayer over the city, work with local believers, and have gospel conversations throughout the city.

COLLEGIATE WEEK

Collegiate Week was at Falls Creek at the beginning of August. We took 45 students for a week filled with good teaching, good community, and hot weather. Incoming freshmen were able to meet upperclassmen before getting to campus, building relationships that will continue to grow throughout their years at SE. Students were encouraged and ready to get to campus to meet new people, have intentional conversations, and grow in their faith along with their peers.

WELCOME WEEK

Welcome Week this year was packed with events and new students! SE BCM hosted an Open House, Night of Prayer, Luau, Volleyball Tournament, and we kicked off Free Lunch and Crossroads.

LOOKING FORWARD

- We'll host Fresh10, Free Lunch, and Crossroads every Tuesday, Wednesday, and Thursday this semester
- We'll have Momentum, Fall Retreat, Missions Month and end of year events to look forward to this Fall

PRAYER NEEDS

- Pray for students to start the semester with energy and strength from the Lord; pray they would prioritize their personal time with God
- Pray for evangelism and discipleship to happen amongst students on campus this semester; pray the Lord moves through intentional conversations and meetings
- Pray for staff to minister to students through the semester

STUDENT SPOTLIGHT: MAYA

Maya spent her summer in Boston, MA as an intern at a local church, Hope Fellowship Church, that we have partnered with the last few years for missions. "I gained valuable experience serving others and working in a ministry environment. It was an incredibly meaningful summer that allowed me to grow personally, professionally, and deep in my faith in the Lord." Join us as we continue to pray for Hope Fellowship and the work they are doing in Boston.
